SUMMARY

Fresh Graduate in Mathematics with a specialization in Industrial and Financial Mathematics. Proficient in MATLAB, IBM SPSS, and Microsoft Excel, with strong capabilities in data analysis, problem-solving, and collaboration. Completed several projects involving mathematical modeling and data analysis, including portfolio optimization and regression analysis. Currently seeking an opportunity to gain professional experience in the finance industry.

TECHNICAL SKILLS

- Programming Language:** MATLAB
- Software & Productivity Tools:** Microsoft Office (Word, Excel, & PowerPoint), Google Workspace, IBM SPSS, Latex
- Languages:** Bahasa Indonesia (Fluent), English (Intermediate - TOEFL Score 510)

PROJECTS

- Portfolio Optimization of Indonesia's Government Sovereign Debt** December 2025 - July 2026

Research Collaboration with DJPPR, Ministry of Finance of Indonesia MATLAB, Excel

 - Developed a modified mean-variance model incorporating CVaR and Worst-Case CVaR as risk measures.
 - Utilized datasets comprising debt interest rates and foreign exchange rates.
 - Achieved a 32.67% reduction in the expected return in debt value of Portfolio.
- Stock Portfolio Optimization of Gold Mining Companies** October 2025

Academic Project MATLAB, Excel

 - Applied the mean-variance model to optimize a stock portfolio consisting of five gold mining companies.
 - Utilized closing price datasets of the selected stocks as the basis for portfolio construction.
 - Generated three optimized portfolios under different risk tolerance constraints.
- Agricultural Sector Regression Analysis by District in Lamongan Regency** July – December 2025

Academic Project IBM SPSS, Excel

 - Analyzed the relationship between rice production, harvested area, and average rainfall across districts in Lamongan Regency using statistical and data analysis methods.
 - Developed a multiple linear regression model to analyze the effects of harvested area and average rainfall on rice production.
 - Obtained a multiple linear regression model with coefficients of 1.033 for harvested area and 0.112 for average rainfall.

EXPERIENCES

- Research Assistant** August – September 2026

Department of Mathematics, Institut Teknologi Sepuluh Nopember (ITS) Surabaya, Indonesia

 - Assisted in research on foreign currency sovereign debt portfolio optimization for the Government of Indonesia.
 - Coordinated communication between lecturers and the Direktorat Jenderal Pengelolaan Pembiayaan dan Risiko (DJPPR), Ministry of Finance of the Republic of Indonesia, particularly for data validation and research collaboration.
 - Prepared presentation materials to support the communication of research progress and findings.
- Intern** July – August 2025

Badan Pusat Statistik, Lamongan Regency Lamongan, Indonesia

 - Managed Agricultural and Fisheries Census data to support accurate statistical reporting.
 - Developed an Excel-based dashboard to monitor incoming and outgoing work activities.
 - Contributed to the preparation and publication of "Kecamatan dalam Angka 2025" for Deket and Brondong Districts.
- Intern** January – February 2025

Badan Pengelolaan Keuangan dan Aset Daerah, Lamongan Regency Lamongan, Indonesia

 - Managed and archived treasurer's official memoranda to ensure systematic document organization.
 - Organized administrative documents, including incoming and outgoing official correspondence.
 - Maintained well-organized records to support efficient document retrieval and smooth administrative processes.

EDUCATIONS

Sepuluh Nopember Institute of Technology (ITS)

B.S. in Mathematics – GPA: 3.19/4.00

Surabaya, Indonesia

2022 – 2026

State Senior High School 2 Lamongan

Mathematics and Natural Sciences – GPA: 92.10/100.00

Lamongan, Indonesia

2019 – 2022

ACHIEVEMENT

- Bank Indonesia Scholarship Awardee, Bank Indonesia (2024 – 2025)

CERTIFICATION

- Public Speaking Certification in Customer Relationship Management (CRM), Bank Indonesia (2024)

TRAININGS

- Customer Relationship Management (CRM) "Junior Service Quality Officer (JSQO)" Scheme, ASQI (2024)
- Leadership Practice & Capacity Building, Bank Indonesia (2024)
- Basic Statistics and Data Visualization Short Class, MySkill (2023)
- ASEAN Data Science Explorers, Pemimpin.id (2023)
- Latihan Keterampilan Manajemen Mahasiswa Pra Tingkat Dasar (LKMM-Pra TD), FSAD ITS (2022)
- Pelatihan Karya Tulis Ilmiah Tingkat Dasar (PKTI-TD), FSAD ITS (2022)
